# SAVAGE

is something worth having.  
Hunters and Sportsmen  
everywhere are fast awakening to that  
fact. The ever-increasing number of  
**SAVAGE RIFLES** we are selling  
proves it.

Savage Safety lies principally in these two points:

Savage Rifles are **Hammerless**—there's nothing to catch.

There is a **Safety Device** locking the mechanism, which can be operated at the shooter's will.

This **Hammerless** feature is exclusive with us. When it comes to rifles—the **SAVAGE** is different.

**LITTLE SAVAGE .22-caliber, HAMMERLESS REPEATING RIFLE**....\$12.00

**SAVAGE JUNIOR .22-caliber SINGLE-SHOT RIFLE** .....\$ 4.00

If your dealer won't accommodate you, we will. Send to-day for Catalogue.

Expert Piano Maker, Piano  
and Organ Tuner

Entrance : 258 Bagot St.

OFFICE AND  
WAREROOMS  
OVER COATES'  
JEWELRY  
STORE

Many piano owners are unaware of the great importance of having their pianos tuned regularly and kept in order by a competent tuner.

The tuning of a piano is a delicate operation, requiring great skill and experience, and no person, unless he be thoroughly capable, should be allowed to attempt to tune or regulate your piano.

We request you not to trust itinerant tuners, some of whom are very incompetent.

Musical experience and reputation cannot be gained in a year, nor five or ten years. It is only determined through long years of faithful service.

The knowledge of the average public with regard to musical instruments is so small, and people are so apt to be misled by appearances or the glib tongue of an agent or salesman, that it is always best before you trade your piano, to call on an expert, and perhaps your old piano can be made as good—if not better—than the cheap modern article that the average salesman or agent would have you believe is a pearl when in reality you only get a stone for your money.

All country orders receive  
our prompt attention.

# ITHACA GUNS

## OUT-SHOOT THEM ALL

This is "Bob" Edwards, the man who made the old reliable ITHACA, the hardest and closest shooting gun in the world. He was the first man to perfect the taper choke and is the oldest barrel borer in the United States.

We guarantee every gun in every part — shooting included.

We cross-bolt our hammerless guns in addition to under fastening and guarantee never to shoot loose.

We have specially made barrels, with double thick Nitro beech, which stands a bursting pressure of about 40,000 lbs. to the sq. in., insuring absolute safety to the shooter.

We make 17 grades, \$17.75 net to \$300 list.

We build everything from a featherweight 20 gauge gun to a 10½ lb. 10 gauge duck, fox and goose gun.

Write to-day for picture of "Bob" and Free Art Catalogue explaining "Bob's" system of choke-boring.

## Pianos by the Mile

$$\begin{array}{r} 1,246 \\ 6 \\ \hline 5,280 \overline{) 7,476} 1 \\ \underline{5,280} \\ 2,196 \end{array}$$

In the last 12 months we sold 1,246 pianos. They averaged 6 ft. in length apiece. That is 7,446 ft. of pianos. There are 5,280 ft. in a mile. Therefore, if the pianos we sold in this one year were placed end to end they would reach nearly  $1\frac{1}{2}$  miles.

Think of the sunshine, the happiness, the refinement, the educational influence that  $1\frac{1}{2}$  miles of pianos has spread abroad in this land! You say there's no sentiment in business? There **is**—a whole lot of it. We're proud that it is given us to be distributors of so much home-happiness and we feel every day that we are doing something to make this old world brighter and better.

**Wormwith & Co. Pianos** are sold by the largest and best firms from Nova Scotia to British Columbia. Sold on easy terms. Second hand pianos taken in exchange. Call and examine our stock at factory foot Princess St. or warerooms 165 Princess St.

## In Memoriam

---

In every land the memory of the dead is kept green by the erection of monuments and memorials. It is a beautiful custom. "The love that survives the tomb," says Irving, "is one of the noblest attributes of the soul."

These monuments, however, that are meant to perpetuate not only the memory but the good deeds of departed friends, should be carefully chosen. Not every design is suitable. It requires the skill of an artist to produce the piece of work that will adequately express your feelings. We have made a life-long study of this work, and believe our designs and terms will please you.

# When Will You Die?

---

The majority of people live and act as if the day they will leave this world is a long way off. In fact it would appear from their actions as though they never expected to die. : : : :

## IS IT AN EXPENSE?

Many people think that Life Insurance is an expense that cannot be afforded. It is no more an expense than **Depositing money in a Savings Bank.** ♪ ♪ ♪ ♪ ♪ ♪

## WHAT IS YOUR OPINION?

Many men imagine that if their money is put in a Savings Bank it will be more profitable than in a Life Policy. There are very few people who study the two methods and and weigh them **Carefully.** ♪ ♪ ♪ ♪ ♪

## THE NORTHERN LIFE HAS JUST ISSUED THEIR TWENTY-PAYMENT LIFE 6 P. R. POLICY

The Company by this Policy Guarantees to return to the policy-holder at the end of 20 years, as a dividend, an amount equal to six of the Annual Premiums paid by him, so that in reality he has invested in his Policy only 14 premiums, instead of 20 premiums, as in the regular Twenty-Payment Life Policies.

## BOTH SAVES AND PROTECTS

Life Insurance both saves and protects the Home. Money in a Bank may be lost. The House may be burned. Your all may be lost by a failure in business. But the Life Policy means cash without shrinkage, available at the right time to do the most good.

Is it not a fact that **YOU** cannot afford to be without Insurance? If you are single you need a Policy in **THE NORTHERN LIFE** as an investment! If married, a Policy in **THE NORTHERN LIFE** is a necessity. It will pay you in purse and contentment of mind to do business with us.
